

Regional Pastors

Our district is divided into six regions. Your regional pastor is a teammate and first contact for you. Each region gathers most months for prayer and encouragement, along with other activities throughout the year. Take advantage of this network. It may be tempting to move into isolation when things are busy or difficult, but we promise, you will be encouraged as you choose to connect in these communities.

Monthly Zoom Prayer

Each month our Pastors join together for an hour of prayer on Zoom. We bring our personal and ministerial concerns to the Lord with the prayer support of fellow pastors from the entire District.

**Refresh
Retreat**

Every November we set aside a special time to for our pastors and spouses. The focus of Refresh is simply that, to be refreshed! You will experience spiritual encouragement, amazing food, plenty of space for rest, adventure, and district connection. Because this ministry is a high value, the District offsets a percentage of the cost to you. Be sure to make space on your busy calendar for this time.

PASTOR SPOTLIGHT

This initiative was created to highlight the gifted pastoral families serving throughout our district while also fostering greater connection and community. By sharing their stories, callings, and ministry contexts, the spotlights celebrate faithfulness and resilience and help pastors and churches more fully see one another beyond roles and geography. These stories create natural avenues for relationship, collaboration, and mutual encouragement, strengthening a shared sense of identity and belonging across the district.

DISTRICT CONSULTANTS

The Placement Team, led by Jim Schultz, Pastor at Hillside on Whidbey Island, helps churches find potential candidates for staff positions while assisting candidates to find their best fit.

The Youth Ministry Team, led by Adam Lightbody, youth pastor at Harper Free in Port Orchard, oversees our District youth ministry while providing encouragement and coaching for youth workers across the PNW.
